Supply to Sandur State — Allowed

GOVERNMENT OF INDIA
DEPARTMENT OF FOOD.

UNDER SECRETARY 27 APR 1943 DEVELOPMENT DEPARTMENT

The Secretary to the Government of Madras,
Development Department,
Madras.

No. G-VIII(5)/43. New Delhi, the 22nd April 1943.

Reference letter No: 195-E/43 dated 7-4-43 from the Secretary to the Commissioner of Civil Supplies, Madras.

Government of India note with satisfaction that a monthly quota of rice has been allotted to Salem State. It would be appreciated if arrangements are made for supply of small quantities of wheat and bryrgi also to this State from quantities available in the Province supplemented by imports arranged through the Central Government. It is estimated that about 50 tons of wheat and 300 tons of jowar should meet the requirements of Salem for about six months.

Kindly acknowledge.

Under Secretary to the Government of India

The Board submits that 300 tons of cholam required by the Sandur State may be spared out of the quantity of 4,000 tons of cholam promised by the United Provinces Government, as their third offer and which has been postponed to May. If Sandur is prepared to take cumbu instead, arrangements can be made immediately to send some of the stock imported from the Punjab. As regards wheat, the requirement of 50 tons may be sent from the stock of Australian wheat stored in the Madras City at Massey's godowns and the price per imperial maund

maund will be Rs.11/- including incidental charges. The Board requests to be informed whether Sandur may be addressed for despatching instructions.

I am directed to state that no cholam is available at present. Supplies are expected from the United Provinces, and the requirements of your State will be considered when consignments begin to arrive steadily. In the meanwhile, if you require cumbu, arrangements can be made to supply the quantity required immediately, from the imports that are being received from the Punjab, at the price which it costs the Madras Government plus incidental expenses.

2 As regards the supply of 20 tons of wheat, a separate communication

Ref:-Board's No.B.3581/43-2 (C.S.) dated 13-5-43

In continuation of Board's reference cited above, I am to state that 50 tons of wheat will be supplied to your State within the coming two months in two consignments of 25 tons each. As you will be getting the stocks from Bellary, you are requested to send despatching instructions to the Collector of Bellary. A separate communication will issue in regard to the recovery of cost.

For Secretary

Copy to the Collector of Bellary for information.

Two consignments each of 2000 tons of North Indian wheat will be distributed to the districts during May and June 43. The quantities to be supplied to Sandur (25 tons during each month) will be sent to him along with the stocks intended for his district and he is requested to pass on the supplies to Sandur, after receiving despatching instructions from the State. A report should be submitted to the Board after the entire quantity of 50 tons is despatched.

Copy to the Secretary to Government, Development Department for information with reference to Government Memo No.10335/F/43-1 dated 17-5-43.
